Re: New Development Application: N0530/15
7 Trentwood Park
Avalon Beach

I object to the above development application, as my concerns remain unchanged since I last lodged a submission regarding this DA.

- . loss of native animal habitat
- . impact on native flora
- . possibility of subsidence due to construction work
- . noise from trucks and building
- . noise from new driveway/access road
- . possible subdivision of one site after approval-that would be four dwellings not three. (large enough)

Yours sincerely
