RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I support this development application.

Bayview Golf Club is a wonderful facility. It has a strong community, supporting not just golfers but the whole community. How lucky is the Mona Vale / Bayview community to have in waking distance wonderful amenities for all to enjoy?

What happens if this does not go through? Have the objectors thought about that? There will be more than 5% of the course developed! That is something nobody wants to see happen.
