RE: REV2017/0020 - 51 / 1 - 5 Collaroy Street COLLARROY NSW 2097

My only concern is parking! We have a certain no of visitors parking for our residents in our complex! Unfortunately, we have 'randoms' coming & parking & therefore our visitors miss out! Also, as we are the ONLY Street in Collaroy with limited parking... it creates even more havoc with our visitor parking. Maybe resident parking could be introduced for Collaroy Street, & thus free up parking spots!
