I am horrified at the prospect of yet more high density (claimed, no doubt, to be 'medium density') residential development in the Warriewood Valley. It now is a hideous eyesore of jammed in town houses and cheek by jowl 'mc mansions' with barely a metre between them.

I say NO to the proposal of more of this type of development.

How more and more dwellings can be jammed into this area without ANY improvements to the roads is a joke. Monavale Road and The Wakehurst Parkway - the only two roads out - are STILL ONLY ONE LANE roads!!

It is almost impossible now to get a park at our local shops (Elanora Heights and Narrabeen) add another few hundred cars to the crowded roads etc and no one will be able to move. I work in St Ives and in the last 7 years since all that ugly development in Warriewood has taken place, I have had to add 10 - 15 minutes to that trip.

NO more development, NO more units or Townhouses PLEASE!
