RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I am disappointed that I have to comment once more.
I attended the last meeting regarding the Waterbrook application and was shocked at some of the misinformation transmitted.
I have been member of Bayview Golf Club for 14 years as well as course marshal. In that time I have never observed wildlife on the course nor have I seen children playing on the access trail.
The reduction from 95 to 85 apartments and the reduction in size and bulk as requested should answer questions raised at the previous meeting.
Northern Beaches has an employment problem and this development will supply much needed work for a large number of local residents.
The flood mitigation and vegetation work to be carried out will be of great benefit to the local community.
The developer is held in high regard in the industry and this development will provide Northern Beaches residents the opportunity to have a superior choice for their later life.
I would hope that this application is accepted.
regards.
Rob Lang.
