Subject: MOD2021/0047 - 22 Jubilee Avenue Warriewood 2012

Hi there,

I wish to inform you that I strongly object to the food market, currently held at the Pittwater RSL, being given permission to operate for a further five years.

The acoustic Consultant's October 2020 report, identified the extreme noise created by traffic on Foley Street, Warriewood road and nearby streets due to major roadworks and the upsurge in housing developments.

Traffic generated by the market shoppers will further add to that local noise and make Sunday's quite unbearable!

Food markets can have lots of positives, but I don't believe the location of this one is satisfactory or positive for my community.

Kind regards,

Hayley Croft
