RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development. We have lost far too many species and habitats without destroying yet more. There is more than enough land to build apartments etc on so stop this destruction now and stop abetting greedy developers and Development Authorities who show no respect to nature
