RE: DA2023/1289 1112 1116 Barrenjoey Road PALM BEACH NSW 2108

Dear Sir

We wish to strongly object to the above application. It is clearly an over development totally out of context with the area and it's specific location

We reiterate and support the points succinctly set out in the objection submitted by the Palm Beach Whale Beach Association Against the multiple failures of the proposal to meet planning requirements it should be rejected.
