**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW
2099**

Dear officer,

I speak on behalf of our household and many Freshwater residents, who are local visitors to Curl Curl lagoon.

We strongly disagree with this proposal and ask it is rejected to protect our environment and community in the way that it beautifully exists today. We are prepared to take further steps as a community should this not be taken into consideration.

We believe that this development does not comply with the Plan of Management for John Fisher Park;

We feel very strongly about protecting this sensitive environmental area and should remain as a public land;

We are strongly against further infrastructure developments that could potentially be built at the bottom of the facility.

Please contact me for any further questions.

Kind regards,
Yana
