RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Please do not refine the Wildlife and Coastal corridor that exists to allow fauna to move freely between habitats. There should be no residential development on Bayview Golf course. Any development will prevent wildlife from moving between the coast at Winnererremy Bay Mona Vale and major habitat areas around Katandra Bushland Sanctuary and Nangana Road Bayview. The protection of the 159 remnant trees should be a high Priority to ensure fauna will be able to feed on these trees
