**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I am writing to support the urgent need for the retention of this high priority wildlife corridor within urban regions of Sydney. It is the responsibility of all citizens to ensure areas of our urban environment are set aside to provide adequate habitat for our unique and increasingly endangered Australian wildlife. I do not support the development of this site due to it being an important and critical wildlife habitat.
