**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I do not want any development in any designated wildlife corridor. This includes any corridor designated as of 1960. I am a long term conservation voter and am fully conversant with what has, and has not been earmarked for conservation. I warn this government that it will infringe on established wildlife corridors at its peril, both politically and in terms of ecocide.
