**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this 85 Unit development."

You don't need this development nor to destroy threatened species or habitat for a range of other species. Sydney is already choking with people.

Time to be a real Australian and stop the greed and unjustified consumption of our space and resources.
