RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

Would this street not be better developed as a community hub? Newport is a lovely suburb with great restaurants but one of its issues is that it doesn't have a village off the main road like Mona Vale and Avalon does. Wouldn't it be better to close this road off like a course and to develop it into in area where it is safe for children and families to gather?
