RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I along with 60,239 other concerned Australians object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this 85 Unit development." It is very important that there should be NEW submissions and these urgents are required to be "amended" for future plans for 85 Units.
