RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

As a resident of Binalong Ave, I know how difficult it is to find parking. This is due to the fact that many houses contain children who drive and park their cars on the street. How can it be possible that an additional 36 - 72 cars find parking on this and surrounding streets which are already at capacity.

It is also brings up the lack of buses in Allambie. Additional bus services will also be required.

We bought in this area because it was residential. We don't want medium density or continuous overcrowding on the Northern Beaches. We want it to continue to be residential and low density. We want to enjoy our streets and know our children are safe and not having excessive cars on our quiet residential streets.

It is very disappointing that council would consider these types of applications and over development of our beautiful Northern Beaches.
