Good afternoon,

We herewith vehemently oppose above DA. We play golf at Bayview every week and it is such an Oasis of peace and quiet. It is outrageous that so many trees, beauty and wildlife corridor had to go for greed. It is completely out of character and a massive destruction and overdevelopment!!

We have to preserve what we have and not destroy such a wonderful environment. We say loud and clear: NO NO NO NO NO!!!!

Thank you for listening.

Kind Regards
Bernd
