I am writing to express my strong emotions on hearing that the proposed development in Robertson Road, Newport has managed to get through to this stage and is in danger of going ahead. WE ARE YOUR COMMUNITY YOU ARE SPEAKING FOR AND WE DO NOT WANT THIS! I'm not sure why our voices are being ignored but it goes against the whole democratic system. This development does not fit with our idea of what Newport is or should be like. There is a Newport master plan for a reason. The residents want a precinct that has the ability to be closed off to traffic at times, for community related events. This cannot happen if council allows a developer to slap underground parking access in the middle of it! It's very simple. Refuse the DA, go back to the developer and explain this needs fixing. Full stop! I am furious that we have to fight so hard for something so reasonable to our OWN COUNCIL!

SPEAK FOR US, PLEASE!

Yours sincerely,
Sarah Voysey
