RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

Robertson Rd needs to be a beautiful village hub. I am concerned that this development as it is proposed will not be sympathetic to the total streetscape. Shops and dwellings should be stepped back on both sides of the street to preferably open up the village hub. Therefore the whole street needs to be developed in line with the Newport Masterplan in my opinion.
