RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Please stop clearing land that belongs to our wildlife. Our nations wildlife deserves to have a home. We must stop clearing what is rightfully theirs. Humans are so destructive and irresponsible towards the wildlife. They have as much right to be on this planet as humans do. We need our wildlife to keep the planet in balance. It's humans that we need to get rid of....there are way too many humans on this planet to be sustainable.
