RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

To Whom It May Concern:

I strongly object to this development. My concerns which have not been addressed by the change of plans include:

Inadequate parking for residents.

Inadequate sidewalks near the development for the increased amount of foot traffic on a very dangerous corner.

Out of character development.

Bushfire hazard

The Allambie community has made very strong objections to boarding houses in our community, we hope that these objections will be heard.
