RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I wish to object to the amended plans for DA2017/1274 at Bayview:

This proposal will still destroy 5 acres of the wildlife corridor and remove more than 140+ remnant trees and threaten 8 endangered species including our Powerful Owls.

This development will cause irreversible damage to the Bayview wildlife corridor and we request it be stopped. This land should be permanently protected from development. This development will be a 5 acre blockage of the wildlife corridor.

This is high biodiversity land, and a high priority wildlife corridor and is out of character with the surrounding area.

I urge you to reject this development at Bayview.
