**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Sir, I add my name to the growing protest about the destruction of wildlife corridors and land clearing, by THE most destructive mammal on earth - Man himself. You can surely see that in a finite world, this endless expansion can only end one way. Sadly, we will take to our deaths all the fabulous wildlife on earth. We object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife& coastal corridor, home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development." make a start. Show some courage by doing the right thing.  
Regards, Stewart O'Brien.
