Subject: DA 217/1274, Bayview Senior Housing and Golf Course

Dear Sir,

I would like to support the above Development and offer the following comments.

This development will improve the availability of senior housing in an area where there is a current shortage.

Furthermore the development will raise flood prone land and re-channel flood water enhancing the growth of natural vegetation throughout and at the same time establish wild life corridors for the betterment of the overall suburb.

I hope you will take the above items into your consideration and approve the application.

Yours faithfully

Rex Harris
