RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I am respectfully writing to you pertaining to the appeal the developer has lodged at Bayview Golf Club. As you can see, the new plans still cover an area of 5 acres , just a small reduction of unit numbers is ALL the company has done. It had done NOTHING to address the blockage of a high priority wildlife corridor and STILL will remove a minimum of 140 trees..... this is totally unacceptable and proves how they are interested in nothing but profits over all else ... at the expense of untold vulnerable animals who have no voice please I'm all but begging you to take a stand for the wildlife that we still have living near us and protect them from these money hungry environmental vandals so we may still be able to enjoy seeing our amazing flora and fauna we have been blessed to be in this world with usthankyou for taking the time to read this and I wish you well in your endeavours
Regards
Annette Mason
