**RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW
2099**

I object to this app due to health and safety concerns from untested technology that will affect the well-being of people living in the area, as well as the visual impact of the tower. That shouldn't be located in such a popular public area when none of the people have requested the deployment of this technology.
