RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor at Bayview, home to many vulnerable species.

This land should not be destroyed by any development whatsoever.

Wildlife corridors are for the wildlife to live in their natural habitat and for us to observe them in their natural habitat. Not for developers and councils to whittle away these corridors for their own greedy gains by changing the rules and rezoning.

The Bayview wildlife corridor is an excellent bird observing area, please don't let it be destroyed.
