**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. Australia already has a disgraceful record of hastening species extinction. Short term economic gain should not be given priority over maintaining our unique biodiversity. Every development that goes up takes us one step closer to comprehensive species extinction. This is Biodiversity land and should not be destroyed by this development.
