**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development.

It beggars belief that, given the appalling loss of species and habitat for wildlife in Australia to date, that the above development can even be contemplated in an area of Australia that is already overpopulated and in need of all the biodiversity land that it can muster.

Thank you for considering my comment.
