RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

When I discovered this property/land had been sold I fully expected some sort of development would take place. I was expecting / dreading another Mc Mansion of sorts but little did I suspect what has been proposed. This is so utterly not in keeping with what is around and I feel would become a blot on the landscape of what is a delightful area in which to live. I am given to understand 5 car parking spaces would be made available and yet someone wants to provide 36 'beds'. I doubt heaven will help us to stop this insanity so I am trusting that those with understanding, decency and common sense will. On the 12th Feb I wrote to Tony Abbott, Brad Hazzard, Michael Regan and Anthony Roberts expressing my views in greater detail. I thank you for the opportunity to write on this occasion as well. faithfully, Robin Cant.
