RE: DA2020/1042 - 349 Barrenjoey Road NEWPORT NSW 2106

I do not support this development. Having reviewed the artist impressions of the new structure, I strongly believe the design is completely inappropriate for Robertson Rd streetscape. The most prominent feature of the Robertson Rd streetscape is the driveway and roller door access to the car park. Robertson Rd has always been a precinct of cafes and small business shop fronts and the suggested large driveway entry totally dominates the streetscape.
