RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife & coastal corridor, home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development.

More and more research is showing that natural tracks of land are essential not just to the biodiversity that lives there, but to the human population living nearby. Don't destroy this area with housing. Preserve it for the benefit of all the creatures who live here
