**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I really object to DA1274/2017. It is a huge development of 7 apartment buildings in the middle of the designated high priority wildlife corridor which is home to many vulnerable species.

I believe our elected council and government should listen to the people they represent - not just developers. People are interested in wildlife and the environment. We don't want to see our wildlife disturbed.

This is Biodiversity land and should not be destroyed by this 85 Unit development."
