**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development. This wildlife corridor is important to all citizens of Australia and not just local residents. Once destroyed, many species may become extinct and Australia will be the poorer for that. Units can be built in other areas without destroying our biodiversity.
