Dear Daniel Milliken,  
with the  
proposed boarding house at 60  
Binalong Ave Allambie Heights.

DA 2018 / 0149:

I would like  
to raise some issues -

- ① Cannot the council protect its rate payers against this type of development? If not then why have a council? Why pay rates?
- ② Allambie needs footpaths for its elderly & young mums with prams  
NOT BOARDING HOUSES.
- ③ Why do we have no say in what type of development happens

in our suburbs?

(3) While the author of this objection acknowledges the need for social housing :-

IS THIS THE WAY TO GO?

(5) Come on Northern Beaches

you can do better than this  
Find a way to block them!!!  
earnestly & sincerely
