RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

I object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species. This is Biodiversity land and should not be destroyed by this development.

I was born and raised on the Northern Beaches and I remember having koalas in our yard at Avalon and all the birds and wildlife that were everywhere growing up. The developments that are happening on the Northern Beaches are destroying the fauna and flora that we all love and these major developments need to be stopped before we end up like the western suburbs, nothing but concrete and traffic
