RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

I'm objecting to the proposed development as it is totally out of character with the surrounding area, which is Residential Low Density.

The local roads and transport will be adversely affected by this development - Allambie road is the way in and out and I think there are some real public safety issues that have been overlooked in the event of an emergency - this 1 lane road already is subjected to significant traffic as a backroad and is not capable of supporting traffic for medium to high density zoning.

I strongly feel that living standards will be compromised by this development if it goes ahead - this development is poorly planned and should not go ahead in the interests of the local community.
