RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

I'm disappointed to see this submission with limited changes to the original DA. Still concerned car entrance, which resembles something you would see in Surrey Hills, coming off Robertson Rd. This is not in accordance with the Newport Master Plan of the road being the centrepiece of village life. Bulk & size if the development is generic and not in keeping with a village atmosphere. This is too important to the community to let it slide under the radar as a new submission with little or no thought given on any feedback to the community.
