RE: DA2020/1756 - 353 Barrenjoey Road NEWPORT NSW 2106

i love newport and it seems a constant battle against developers who want to go against the newport masterplan with huge buildings above the restricted height.
the thought of vehicle access in robertson road would restrict this ever becoming a pedestrian plaza and this is the only area in newport where this could happen.
this building goes against everything the newport residents have fought for to keep the village feel of newport
