**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

Dear Sir,

Our communities are very quickly being eroded for a quick buck leaving the last few places one can feel tranquil. Such a place is Bayview. As you turn left off the Pittwater Road and drive thru the round about at the end of the Mona Vale shops you seem to enter another world where private homes, trees and wildlife can share this rarity.

Not only do you want to completely ruin this but you also have no regard for the few patches of wildlife where they have access to corridors so that they feel safe - as they should.

Then we come to the human beings who also like this way of life and that is why they live in Bayview.

Wake up to yourself and realize we don't all want to live in horrible apartments.

Money gain is short lived - freedom to live in tranquility is becoming hard to find.

LEAVE IT ALONE AND BUILD APARTMENTS SOMEWHERE ELSE. I POSE THE QUESTION THAT IS COMMON IN COUNCILS. DO YOU HAVE ANY FINANCIAL ARRANGEMENT WITH THE DEVELOPERS?
