**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I strongly object to DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife & coastal corridor, home to many vulnerable species. This is Biodiversity land and should not be destroyed by this 85 Unit development. Surely there are other places this development can be located. Apartments can be relocated, the species that live along the Biodiversity corridor cannot, so it's clear which needs to go elsewhere.
