**RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104**

I wish to object to amended plans for high density seniors development at bayview. The proposed development will destroy a well established wildlife corridor that provides recreation and amenity to the local population. As I do not live in the area, I am not sure of the extent of the loss, but it must be considerable since 61.000 people have objected to the proposal.

I do not understand why such an unpopular and objectionable proposal is still on the table. The community has expressed their disapproval clearly. Does the council not represent the ratepayers and the interest of the public it serves? If not, whose interest does it serve?
