RE: DA2018/0149 - 60 Binalong Avenue ALLAMBIE HEIGHTS NSW 2100

We are apposed to another boarding house being built in a residential area
Concerns of the huge scale of the development on a corner block of an already very
busy family area the size of this development is not in keeping with the local
character of the area.

Allambie Road in itself is already an extremely busy thorough fair with the only exit
from Binalong Avenue being Allambie Road how are the additional cars exiting going
to impact this very busy area.

Please stop building inappropriate developments and give our council their rights
back to fight for residents
