RE: DA2016/0933 - 51 / 1 - 5 Collaroy Street COLLAROY NSW 2097

To whom it may concern,

I own unit 30 directly above where the proposed swim school is, I am concerned as a unit owner in regards to:

- * an increase in the noise of young children and their families on a daily basis.
- * lack of car parking /access in relation to picking up and dropping off young children for their lessons on a daily.(esp people a disability in wheelchairs)
- * on weekends the congestion in the car park is intolerable at times getting in and out of the garage. This business of the car parking will cause a young child to be seriously injured due to lack of space and car turning circle.
- * Lack of car parking spots / access to our unit block is at capacity.

I do not support this change for this shop front to be a swim school as there are several swimming schools along the northern beaches already. I and would like full discloser to all the residents /owners of all apartments, Happy to discuss this nightmare of a decision of a swim school located in a car park!!!!.

Regards
Karen
