Re: DA2017/1274 -52 Cabbage Tree Road, BAYVIEW

I wish to register my objection to the Development Application based on the thorough examination prepared by James Coleman on behalf of Ms Sandra Murdock.

The comprehensive list of 'Key Issues of Concern' is a clear indication of the inappropriateness of the proposed development in this location.

Apart from numerous non-compliance issues, there are clear reasons as to why the site is NOT suitable for a Seniors Development.

In my opinion, the proposal has no merit, it is unsuitable for its intended purpose, it is not in the public interest and will result in the destruction of environmentally sensitive land and should be rejected.

Yours truly,
