Dear Sir/Madam

Re: Freshwater Village Development

I am writing to object to the proposal to develop Freshwater Village. I am very opposed to the residential/retail building project, which will change the entire character of the area. Freshwater Village is friendly, and it has always been an easy area to park and to shop. However, with the added traffic problems and lack of parking, it will be a nightmare and I will avoid it. I am opposed to the density of the proposal, and also to the use of the land. I use the council car park behind the grog shop and would like to think that all of the council land be retained. I feel that Freshwater will lose all of its friendly atmosphere, and the increased traffic and population will ruin it.

Please retain Freshwater as it is... I am also concerned at the lack of scrutiny concerning the developers.

Sincerely,

Janet Wright
