RE: DA2017/1274 - 52 Cabbage Tree Road BAYVIEW NSW 2104

Dear Officer;

I am writing to submit my objection DA1274/2017 to develop 7 apartment buildings in the middle of the designated high priority wildlife corridor home to many vulnerable species.

This is Biodiversity land and should not be destroyed by this development."

Please consider the detrimental environmental impact this will have on the habitants of the area, concrete jungles are not the answer. We need biodiversity not more units & apartments. Once it is gone we won't get it back so I ask you to consider the land and environment over dollars. Across Sydney we are seeing land clearing at an astronomical rate and it is destroying our beautiful state.

PLEASE DO NOT LET THIS GO AHEAD.
