Dear Northern beaches Council,

As residents of Holloway Place I write to voice my objection to the proposed DA for the weekly operation of Cambridge markets at the Harbord Bowling Club.

As residents of what is a quiet residential setting, it will be inappropriate to have so much additional parking and traffic on a Sunday in the area. The club parking will be used for stalls and hence visitors will end up blocking up the streets on top of the normal cricket and Aussie rules parking which is something we do support.

Please consider the residents and move these markets to Nolan's reserve on a Monday which is a far more appropriate setting.

Regards

Simon & Sharon Rowley-Bates
