RE: DA2020/0661 - 7356 / 1167221 Huston Parade NORTH CURL CURL NSW 2099

As a resident very close to the proposed tower, having to put up with poor mobile reception for years, I am very much in FAVOUR of the development.

The design, of replacing the existing lights pole, seems a good idea - making the result almost the same as we already see.

Hopefully this proposal will improve mobile coverage, not only for nearby residents, but for netball players and their families, beach-goers and those passing through.
