Subject: DA2017/1274 Bayview Seniors Housing and Golf Course.

To Whom It Might Concern

I am writing in my support of the DA proposal by Bayview Golf Club
DA 2017/1274
Bayview Seniors Housing and Golf Course

I feel with the addition tree planting and improved water management and flood mitigation it will such a beautiful surrounding for additional senior's accommodation also for the local community and its many visitors from outside area .

Kind regards

Dianne
